Subject: Ocean Springs

Good morning.

I was in court this morning and ran in to City Judge Taylor. We had a great conversation.

He said the only complaint he is hearing, and others hearing, is that the web site looks like a scam. Lots of calls to the PD commenting that the site looks like a scam.

We need to change this ASAP. The Judge told me he and others at the PD went on the site after all the comments. They were very disappointed and know why people are questioning.

Thanks.

Robert
