ORDER DENYING MOTIONS TO UNSEAL THE FILE AND RELEASE TRANSCRIPTS

The Court does FIND, ORDER, ADJUDGE, and DECREE as follow:

I.

After a review of the pleadings, the Court finds, without the need for oral argument and/or testimony, that the Jackson County Chancery Court file should be and shall remain SEALED.

II.

The Chancery Court matter is a lawsuit between private parties, each being LLCs. There are no public entities included as parties and there are no public funds at issue. Other than curiosity regarding issues between private parties, there is no public interest involved.

III.

Therefore, the motions to unseal the court file [MEC 33, 78, and 79] are DENIED, and the motion for release of transcripts of proceedings [MEC 81] in this SEALED file are DENIED.

So ORDERED, ADJUDGED, and DECREED, this the 26 day of June, 2025.

CHANCELLOR D. NEIL HARRIS, SR.
